Dear Kinsella Arts Incorporated Stakeholders:

Kinsella Arts Inc. (KAI) was recently notified that we will be receiving a very generous gift. An anonymous donor has pledged a matching donation to us of up to \$5,000.00 for all funds raised by our Board between September – December 6, 2019. No amount is too small to pledge, even \$10 is appreciated because it will be matched by this generous donor. This is a wonderful opportunity to receive funds to put towards programs for KMSPA and for the operation of KAI.

The donor stressed that they would like to remain anonymous and that they would like to help encourage all of our board directors, volunteers, school staff and parents of students to take part in this challenge in order to benefit KAI. The donor is impressed with all of the programs that KAI offers to KMSPA and they are happy to be able to support such an amazing school. Arts and academic programing are paramount to what we want to offer to KMSPA and we need to take advantage of every instance to better the school's position.

All funds raised by individual board members and other KAI stakeholders, whether through personal donations, corporate donations, or fund raising events will be included for purposes of the matching donation. You may donate to KAI by contributing through our website:
